# **ONLY "CASCARETS"** IF CONSTIPATED

Salts, Calomel and Cathartic Pills act on bowels as pepper acts in nostrils.

Take a Cascaret tonight and thoroughly cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn

Are you keeping your bowels clean with Cascarets-or merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels.

Remember, a Cascaret tonight will straighten you out by morning. A 10-cent box from your drug gist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children .- Advertisement.
